NLG Phone Harness™ Kit

Product Code: 101700

Max Load: 0.5 KG / 1.1 LBS

OVERVIEW

The NLG Phone Harness™ Kit is an all-in-one tethering kit and provides everything you need to secure one of the most dropped tools, the mobile phone. This kit takes all the confusion surrounding tool tethering away and means you can focus on the job at hand.

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
